Recommended	Not recommended
<ul style="list-style-type: none"> <li>Use RCA cords made by Vlad Blad Irons or other well-reputed brands that care about the quality of their products.</li> <li>Cover the power supply with film or other barrier protection while working to protect it from contamination.</li> <li>First plug the adapter into a power supply and then plug the adapter into an outlet (If the connection sequence is broken, a spark may appear in the adapter connector, which does not lead to a breakdown and is not a malfunction)</li> </ul>	<ul style="list-style-type: none"> <li>Do not put the power supply on contaminated surfaces. Avoid getting liquids and dirt inside the connectors.</li> <li>Do not supply the machine with voltage higher than specified in its instruction</li> <li>Do not use autoclave or hot-air sterilization for the power supply</li> </ul>

**WARRANTY**

- We provide a 2 year warranty.
- This power supply has been built to show the manufacturer if it has been opened or modified in any way. In this case the warranty will be void.
- If you purchased the power supply not at the official VBI store, please provide the receipt or the warranty card in any form to get the warranty service.
- In case of any malfunctions, contact us at **@vbi\_support**. We will be there to help you!
